

CRAFT YOUR CAMPAIGN STORY WITH A BRANDED DONATION EXPERIENCE

Many organisations are desperate to get online to begin fundraising, so they settle for a generic donation platform or page that dictates they way they operate and doesn't bring value to their cause.

Research has shown that organisations with a branded donation page receive **7 times more in online donations** than those with generic donation pages. In addition branded donation pages receive the largest proportion of online donations.

Provide your donors with an **optimised, mobile responsive, branded** giving experience.

This introductory offer will provide you with a branded campaign and checkout page experience, allowing you to drive campaigns and raise valuable funds online. It can be set up in your existing WordPress website or we can host it for you.
